PROFESSIONALS: You are receiving this because your current or former patient is seeking evaluation or treatment at Northwest ADHD Treatment Center. If the individual has authorized NW ADHD to request records and obtain information from your organization, please send all relevant records and at least available records within the past 5 years, unless otherwise noted below. Please send the records at the earliest convenience to facilitate care. Thank you.

PATIENTS: Northwest ADHD Treatment Center needs medical records from your primary medical care provider (doctor) to help complete the ADHD evaluation process. Please be sure you complete this form for your primary medical provider, and complete it again as many times as needed for any current or recent mental health providers, friends or family members, or other individuals or entities you would like NW ADHD Treatment Center to communicate with.

Northwest ADHD Patients are entitled to access to their full records at any time. You may use this form at any time to request all or part of your health information on file to date. Your health information may also be available to you already through your portal account.
